

Hosola Warranty Terms and Conditions

STANDARD WARRANTY

The standard warranty period for the **Hosola** inverters is 120 months (10 years) from the date of installation and no more than 126 months (10.5 years) from the date of shipment from Hosola New Energy Co, Ltd.

EXTENTION OF WARRANTY PERIOD

For inverters the purchaser may apply for a warranty extension up to 12 months following the installation date or 24 months from the date of shipment (whichever date comes first) from Hosola by providing the serial number of the unit. Hosola may reject any application received which does not meet the date requirement.

Once the purchase of the warranty extension has been processed, Hosola will send the warranty extension certificate to the customer confirming the extended warranty period.

WARRANTY CONDITIONS

Please report defective devices with a brief error description to our service hotline for logging and send your warranty card to our service department by fax/email to process the warranty claim. Alternatively, please contact your specific dealer or installer if your unit is defective or faulty.

To make a claim under the warranty terms of Hosola, you will need to supply us with the following information and documentation regarding the faulty inverter:

- ✓ Product Model No.(e.g. Hosola bright 4200MTL) and serial number (e.g. H6613I0081).
- ✓ Copy of the invoice and warranty certificate for the inverter.
- ✓ Copy of the installation report and installation date.
- ✓ Error message on LCD screen (if available) and additional information regarding the fault/error.
- ✓ Detailed information about the entire system (modules, circuits, etc.).
- ✓ Documentation of previous claims/exchanges (if applicable).

If a device fails while it is under Hosola Warranty, it will be:

All rights reserved by Hosola. This information is subject to changes without notice.

- ✓ Repaired by Hosola, or
- ✓ Repaired on-site, or
- ✓ Exchanged with a replacement device of a new, or re-conditioned inverter.

In the latter case, the remainder of the warranty entitlement will be transferred to the replacement device. In this event, you will not receive a new certificate, as this replacement will be noted by Hosola.

If the unit needs to be replaced following assessment, Hosola will send a replacement unit immediately. The defective inverter should be sent back to the closest Hosola office/warehouse by packing in its original package if possible or other comparable packaging. All warranty services are free of charge only if the course of action is agreed with Hosola in advance. Hosola keeps the right to arrange the warranty service for end users.

SCOPE OF THE MANUFACTURER WARRANTY:

To provide better service to Hosola's End Users, all Hosola authorized Dealers or Distributors are requested to respond to End Users' warranty claim. Hosola will replace any products or parts of the product during the Warranty Period proved to be defective in design or manufacture. Any defect caused by the following circumstances will not be covered by the manufacturer's warranty (the Dealers or Distributors are responsible and authorized by Hosola for the following investigation):

- ✓ "Warranty Card" not being sent back to Distributor/Dealer or Hosola;
- ✓ Product modified, design changed or parts replaced not approved by Hosola;
- ✓ Changes, or attempted repairs and erasing of series number or seals by non Hosola technician;
- ✓ Incorrect installation or commissioning;
- ✓ Failure to comply with the safety regulations (VDE standards, etc.);
- ✓ The Product has been improperly stored and damaged while being stored by the Dealer or the end user;
- ✓ Transport damage (including painting scratch caused by movement inside packaging during shipping). A claim should be made directly to shipping company/insurance company as soon as the container/packaging is unloaded and such damage is identified;
- ✓ Failure to follow any/all of the user manual, the installation guide and the maintenance regulations;
- ✓ Improper use or misuse of the device;
- ✓ Insufficient ventilation of the device;

All rights reserved by Hosola. This information is subject to changes without notice.

- ✓ The maintenance procedures relating to the product have not been followed to an acceptable standard;
- ✓ Force majeure (violent or stormy weather, lightning, overvoltage, fire etc.).
